The Newsletter of South Hants Model Car Club

Issue 1 November 2009

If it seems a long time since you read a newsletter you would be right.

However as the club AGM approaches maybe you should be aware of what is going on and what we hope to achieve in the coming months.

For all of you who do not have access to the S.H.M.C.C. Forum the club AGM is to be held on December 2nd at the Memorial Hall in New Milton. Please try to attend this meeting as the club is run for you and we need your support to ensure what we do is what you want us to do. If you have any proposals or suggestions please can you let someone know what they are before the meeting so we are prepared. You can E Mail them to ?????? or drop a note into Terry at Reality Racing. All suggestions will be gratefully received.

Sunday Outdoor Racing.

OK so we are into that time of year when the weather has a huge bearing on whether we race or not. We should all be used to the cold by now and as long as it is dry (dry? What's that?) then we will be racing. I know some of you do not go on the forum where the latest weather report from some local racers will inform you if there is racing or not so, a suggestion, if you want to know, may be that you let us know your mobile telephone number and a text could be sent to you to tell you whether to get packed up for a days racing or to snuggle back down under that very inviting duvet for another hours kip!

Wednesday Evenings.

Weather has no effect on those Wednesday evenings indoors so get your car out and come and join us.

At the moment the numbers of racers we are getting mean we are just about breaking even cost wise which means a few more racers would be more than welcome. Mini's and Touring cars are catered for so no excuses!

A special note about racing indoors.

“The Miller Mile”

Many of you will have been aware of the very sad passing away of one of the nicest guys we have had racing with us. Iain Miller passed away after a long illness that in all honesty failed to stop his racing enthusiasm or his continued attempts to knock everyone else off the track! Always cheerful despite his illness Iain will be remembered by us in a special Sunday race meeting “The Miller Mile” to be held at the Memorial Hall in New Milton on Sunday 29th November. Please make the effort to come along and race or just visit us to celebrate a racers life. Full details will be included with this newsletter.

Memberships.

Again it is that time of year when you need to re-new your membership with us. An S.H.M.C.C. membership form is enclosed/attached along with the BRCA membership form which you will also need. Further copies are available at any race meeting or from Terry at Reality Racing. Please return these forms with your remittance as soon as possible as we need to get them organised before the end of this year. We would really like them all returned by the 2nd December please. Thanks for that.

The Committee is pleased to announce that membership fees to join the club will be fixed at the same rate as last year, and also the BRCA has chosen to fix their price for affiliated membership!

Full adult membership of the club costs just £20

Junior membership for those aged 16 or under (on 1st of Jan 2010) priced at just £10

family membership for 1 adult and juniors aged 16 or under (on 1st of Jan 2010) £25

BRCA Insurance (Compulsory for all) £13

Well we look forward to seeing you all again soon. Please try to get to the Miller Mile if you can and don't forget the AGM!
